

Small Group Activities Guid

Banana Surgery

Each group will be given a banana, paper plate and plastic knife. Each group should cut the banana into 4 or 5 equal sized pieces. (don't tell them what the next steps are at this point).

Then using the banana surgery kits - pins, string, sticky tape, tooth picks, rubber bands etc. each group is to reassemble the banana.

The group with the best reassembled banana will be awarded a prize!

Snack Time

Each group will be given a bowl of marshmallows and pretzel rods.

As a team you have to use the supplies given to construct unique and beautiful creation

The group with the best creation will be awarded a prize
